President's Message

Spring is finally here! I never thought I'd say this, but I'm happy that we're not going to have more snow.

Congratulations to our members who won ribbons and awards at the Philadelphia Flower Show this year. It's so exciting to earn them. If you've never entered a plant, try to next year. I've been very surprised at having garnered a ribbon for an orchid I thought wouldn't place!

Please join me in welcoming our new member, Gene Tobia, a very experienced orchid grower. I've seen him at the Flower show over the years and his plants are beautiful! He'll have knowledge to share with us, I'm sure!

The SEPOS show will be at the Academy of Natural Sciences in April. I hope to see you there and at our April 1st meeting!
