President's Message

February is my "hump" month. It bridges the bleak winter into the promise of spring, the beginning of March brings the Philadelphia Flower Show, and at the end, I hear my first Spring Peepers, telling me that warmer weather is almost here.

Our Facebook page is up and running. It would be nice if members could post pictures with or without a narrative. It would make our site more interesting to neophytes of the orchid world. I'm also new to managing a Facebook page. Thank you, John DeGood, for providing an interested person with the link to our club and info as to where and when we meet.

Hopefully, the weather will be warmer and we'll be able to bring our plants to the show table. See you on February the 4th!
