President's Message

Happy New Year, my friends!

Our holiday party was wonderful again. The food was great and the company better! Next year, we'll be bringing orchids for everyone. I always looked forward to that. Someone offered the idea of growing them as challenge plants. I think that's a great idea. The greenhouse and windowsill categories would still apply.

Pinelands Orchid Society is now on Facebook! A special thanks to my daughter, Kira, who set it up for us. I think it's a great forum for sharing our passion. I have hopes that it will attract new members.

The Philadelphia International Flower Show will be here before we know it. The deadline for entries is January 31st. If you have a plant that you think might be blooming at the time of the show, please enter it even if you think that it's not of show quality. Mrs. Hamilton won't be exhibiting her plants (dozens!) anymore and we need a good turnout! As always, if you can't get your plant to the show, a club member will make sure it gets there.

See you on January 7th! Our speaker, Valerie Oldham, will be giving a presentation on Native Orchids.

Best Regards. . .Elishia
