Pinelands Orchid Society

Welcome to the Pinelands Orchid Society. Our society was formed in the mid-1980s by a group of hobbyists as a way of sharing information and learning about growing orchids. Today, Pinelands consists of approximately 50 members with varying levels of orchid experience. Our members grow their orchids in greenhouses, under lights, and on windowsills. We have members with hundreds of plants, and members with only a few.

Our Meetings

Pinelands Orchid Society meets on the first Tuesday of each month from September through June. Each meeting includes a speaker, a short business meeting, a plant raffle, a show table of members' plants, and light refreshments. We have several special meetings each year, including our Holiday Banquet in December, our Orchid Auction in May, and our Show Table Awards Presentation in June.

Shows and Exhibits

Our Society participates in several Orchid Shows each year providing our members with opportunities to exhibit their plants throughout the Delaware Valley, including the Philadelphia Flower Show and the SEPOS Orchid Show. Our members are frequently invited to speak at other area orchid societies and garden clubs.
