

Pinelands Orchid Society – January 2016 Meeting

Happy New Year to All! A new year has begun, replete with holiday gifts and well-intentioned resolutions. For the New Year, I have resolved to spend less on my orchid obsession and instead learn to take proper care of the plants I already have. Many of us would like to keep that very same resolution.

To help us achieve that goal, our January guest speaker is **John Rogan**. John will speak about his special growing techniques using Superthrive and share his orchid-growing success stories. John has been growing orchids for 39 years and has a collection of over 325 plants. His achievements include 32 AOS awards: 2 First Class Certificates, 2 Certificates of Cultural Excellence, an assorted number of CCM¹, AM² and HCC³ awards.

We hope you can join us on Tuesday evening at Cadbury at Cherry Hill.
