

The next meeting of the Pinelands Orchid Society will be Tuesday, May 3, 2005 at the Woodland Fire Co. in Cherry Hill.

Refreshments: If your last name begins with the letters B – C , please bring a snack to share. The club will provide coffee and soda.

This is an important meeting as it is **AUCTION TIME.**

As you might know that every May we have our yearly auction that is our big money maker for the year. This event helps us pay for our speakers during the year.

We need your plants anyone that wants to donate them as you are repotting this month. Please get the list to Valeri Oldham by Friday April 29th at voldham@ectinet.com or if you do not have a computer you can call her at 856-985-0187

We will also have plants from Parkside. Please get to the meeting on time as we need to get started right away to help get through the night early.

There will be a show table, however we will not be talking about the awards so that we can continue with the auction.

By now you might have noticed that someone else is writing the newsletter. I'm Mike Scott your new newsletter editor and I have switched off with Valeri on the supplies so when you need supplies Valeri will be selling the supplies at the meeting.

If you would like something listed in the newsletter or have any information on

upcoming events, please e-mail them to me by the 15th of the month so that I can get them in the newsletter. My e-mail address is msscott48@comcast.net .
