President's Message

April Showers have finally reached us! My garden was beginning to crisp, so the rains are welcome. This week, I'll be doing some repotting to prepare for the Pinelands annual auction. The auction is our main source of funds for speakers, the Holiday party, and our Hoagies and Ice Cream meeting in June. We count on our members to support us through plant donations and, of course, purchases at the auction! The auction is always a fun night as well.

If you have plants to donate, please send me your list this week so I can make up the master list. You can email me at valerie@dacostaolives.com or fax me at 856-983-3331. Also, we have the latest copy of Orchid Wiz to auction this year, which is a great tool to manage your collection and learn more about your plants. I look forward to hearing from you and seeing you all at the meeting!

An Update from Headquarters – AOS on the move.

The sale of the property to the Slomin Foundation, a foundation supporting those with Autism Spectrum Disorder, was completed on November 20, 2011. The AOS orchid collection was moved to temporary growing space in mid-December managed by a major donor to the Fairchild Tropical Gardens. Fairchild is now in the process of cataloging these plants and will in the next month or so begin their move and permanent installation within the Gardens. On Monday March 26, the furniture was moved from the old location to our new offices at the Fairchild and we will then begin the process of settling in. Due to the commuting distance, a number of AOS employees will not be going with us which will require us to manage the day-to-day business to the best of our abilities. During this interim transition, members may experience a delay with regard to requests of the staff and it is recommended that contact be through the general email address TheAOS@aos.org or through the appropriate committee email addresses. We will do our best to keep these to a minimum. More information about the move and transition will be forthcoming in future issues of *Orchids* or from time to time on the AOS website.

The new AOS mailing address is: The American Orchid Society at Fairchild Tropical Gardens, 10901 Old Cutler Road, Coral Gables, FL 33156.

Announcing the 2012 Magazine Supplement.

AOS has an excellent thesis on the genus *Cycnoches*, written by George Carr which will be published as the third AOS magazine supplement. It is a thorough and well-researched paper written by an expert on this genus of orchids that are becoming increasingly popular. We know it will be a valued addition to this volume of *Orchids*. It will mail with the August issue of *Orchids* and once again we appeal to the membership to make a small donation to help underwrite the cost of production.

If each member of the AOS donates merely \$2.00, we will have enough to publish this special 32-page supplement and cover the increased cost of mailing with the regularly scheduled magazine. Please go to the AOS website and click the 2012 Magazine Supplement link for a painless payment of \$2.00 through PayPal.[®] Of course you may also donate more than \$2.00.
